(the "Recordings"). Producer shall have to right to utilize all results and proceeds of my services in any and all media, whether now known or hereafter developed, in perpetuity throughout the universe. **None of the services provided include any writing or co-writing of any musical composition or lyrics thereto.**

For good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, I hereby agree that Producer shall be the sole and exclusive owner of all results and proceeds of my services to Producer and all rights therein, whether now or hereafter existing, worldwide, in perpetuity (including, without limitation, any right to remuneration pursuant to any blank audio/visual tape levy, digital medium reproduction levy or any so-called "rental rights" law or regulation) as a work made for hire specially ordered or commissioned by Producer and as defined in the United States Copyright Act of 1976, including, without limitation, all literary and musical material and/or any ideas, compositions, arrangements, translations, creations and products resulting from or incidental to the same, for all purposes in connection with the distribution, advertising and exploitation of such results and proceeds or any part thereof in connection with the Recordings. I hereby waive all so-called "moral rights" or any similar rights or principles of law which I may now or later have in the results and proceeds of my services to Producer.

I fully understand Producer would not have employed me without an agreement on my part to give, grant, release and assign to it all rights of every kind in and to the work performed by me for Producer, together with all results thereof and incidental thereto.

I have read the foregoing and fully understand the meaning and effect of the same.
